 +Teacher Licensure. Students in the Commonwealth of Virginia must have licensure in the specific discipline in which they wish to teach, rather than a formal degree in education. The education program at Bluefield is one of the most respected in Virginia, and gives our graduates the specific licensure they need to teach in the Commonwealth and beyond.
 ++For students desiring to teach in Elementary or PreK-6.

Pre-professional Programs: The College offers a variety of pre-professional programs for students anticipating seeking admission to professional schools in dentistry, health, law, medicine, nursing, pharmacy, veterinary.

Honors Program: The Honors Program is an interdisciplinary curriculum that provides a stimulating academic environment and intellectual challenge for highly motivated students. In the Honors Program, students explore more intensely their major fields, integrate the various areas of knowledge, interact with like students at other institutions, and learn techniques of independent research. The program includes interdisciplinary seminars and a significant research and writing project in the student's major field. Contact Dr. Rob Merritt: rmerritt@bluefield.edu.

The BC Mission: Bluefield College is an inclusive Christ-centered learning community developing transformational servant leaders.
