**Special Features:** A liberal arts Christian university where rigorous academics and student engagement prepare leaders to meet the needs of a global society. EMU provides opportunities for a Washington D.C. Internship program for all majors each semester and summer. In addition, EMU provides an established cross culture program initiated over thirty years ago. The placement rates of EMU graduates, particularly in medical school, nursing, and teacher preparation, is a testament to the quality education at EMU.

**Campus Setting:** EMU is located in the beautiful Shenandoah Valley of Virginia. All faith traditions are welcome and celebrated on campus. About 35% of students are Mennonite. Eastern Mennonite Seminary, graduate programs and the Center for Justice and Peacebuilding bring diversity and professionalism to the campus environment.
